

GREAT FUTURES START HERE.

Thank you for your interest in volunteering at Boys & Girls Clubs of North San Mateo County! We offer a variety of one-time and ongoing volunteer opportunities in our community of Pacifica.

By joining the Club as a volunteer, you will help us carry out our mission to inspire young people to realize their full potential and contribute to their communities. You will have a chance to contribute to a critically-needed community organization, and, even better, to make a direct impact on the life of a young person.

Through our core programs and activities, we ensure that:

- Every child can achieve academic success
- Every child has a positive sense of self
- Every child is physically active every day

We appreciate your interest in serving the community through Boys & Girls Clubs of North San Mateo County and look forward to reviewing your application.
